Lines of Effort

The TM combines immediate assistance with capacity building through three **Lines of Effort (LoE)**

This comprehensive approach was outlined in the TM's Mission Statement

01

Support

Short-Term Effort

Rapid response to urgent cybersecurity needs

02

Build

Medium-Term Effort

Development of sustainable cyber solutions and expertise

03

Sustain

Long-Term Effort

Long-term sustainability of Ukraine's cybersecurity capabilities

Tallinn Mechanism Founding Principle

Tallinn Mechanism follows the principle

“Nothing about Ukraine without Ukraine”

All support is aligned with Ukraine’s national priorities and implemented jointly with Ukrainian institutions to ensure relevance, effectiveness, and sustainability
