LAC4

**LAC4**  
Latin America and  
Caribbean Cyber  
Competence Centre

**Our objective is to enhance  
cyber capacities through  
specialized activities and  
community building across  
LAC region.**

LAC4 is implemented by  
Estonian Information System  
Authority and funded by the  
European Union, established  
in 2022 with the physical  
training facility in Santo  
Domingo, the Dominican  
Republic
